

Federal Elections Commission
MUR #6572

Response to Complainant

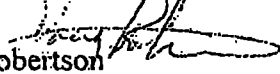

To Whom it may Concern,

My Sole Proprietorship business, Doug Robertson DBA Nostrebor Music, has been falsely named as a LLC business without any substantiation. No facts presented to the FEC can show that my business is a LLC.

I hereby submit a copy of my Nevada State Department of Taxation business licensing form stating clearly that my business is a Sole Proprietorship.

Instead, The Nevada State Democratic Party has chosen to harass me, a private citizen, because I dared to give a donation to Danny Tarkanian for Congress. To my knowledge, there is no law that disallows political donations to non- democratic candidates.

I call upon the Federal Election Commission to investigate the Nevada Democratic Party for it's bullying of private citizens going about their lawful business.

Sincerely, 
S. Doug Robertson
Sole Owner of
